This summer camp is brought to you by September High School, the longest running independent high school in the city of Boulder. We are conveniently located downtown, just a few blocks from the Walnut Street bus station.

All of our camp activities have been carefully designed to appeal to middle schoolers—and our small group size maximizes individual attention. We offer a healthy and exciting space for all middle school students in our community interested in exploring their creativity and reawakening their love of learning ... even during the summer!
